Retractable Lens, New Concept Design
Full Touch Crystal Touch Screen

K6

The first automatic telescopic projector

- Multi-touch, intelligent operation
- Industrial design paradigm
- subverting tradition
- Support 4K HD video
- shock sound effects
- served with live scene
- one-step mirroring screen

Android7.1	BT 4.0	Battery	3D IMAX	Wifi

DLP Pico Projector K6

Parameters		Selective Color	Silver <input type="checkbox"/> Black <input type="checkbox"/>
Display Technology	DLP	Throw Ratio	1.4:1 (31 Inch@1M)
CPU	Quad core cortex-A53 64-bit	Operating System	Andriod 7.1
GPU	Mali450	Projection Size	40"-300 "
Image Brightness	150 ANSI Lumens	Projection Distance	0.5m - 8m
Light Source	LED(R,G,B)	Screen Ratio	4:3/16:9/16:10
Built-in memory	16G	Keystone Correction	Automatic, Vertical: ± 40 Degrees
RAM	2G	Focus Mode	Manual Focus
Contrast Ratio	500 : 1	Projection Mode	Front Projection、Rear Projection
Life Time	30000 Hours	Weight	0.99kg
Color Gamut	>=120%NTSC	Power	AC100-240V, 50/60Hz
Battery	7.4V 6000mAh(Work For 2.0Hours)	Power Input	12V-3A DC
Size (Pull Up)	120*128*96mm	Wifi	2.4G/5G Wifi
I/O Port		Size (Close Up)	120*128*63.5mm
1×HDMI1.4 input	480P,720P,1080P	1×Earphone Jack	3.5mm
2×USB	Support Flash Drive Read Data	1×12V DC Input	Power Adapter: 12V-3A DC

Wireless miracast

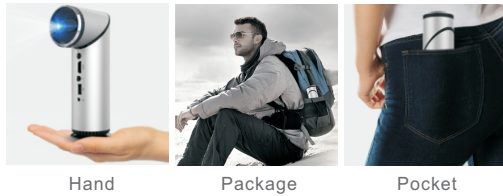

Kaleidoscope Pico Projector

- 90 Rotating Degree
- SLR Camera Rotating Focus
- DLP Display Technology
- Projection Lmage Size 12-200inch
- 2.4G/5G Dual Band WiFi
- Input Ports HDMI/USB/TF/3.5mm

100 ANSI Lumens	8G Built-in Storage	6000 mAh Battery
------------------------------	----------------------------------	-------------------------------

IMAX Cinema

90°
Rotating Degree

Kaleidoscope Pico Projector K5H

Parameters		Selective Color	Silver	Black
Display Technology	DLP	Built-in Storage	8G	
Lens	High Lens Head	Operating System	Andriod 7.1	
Brightness	100 ANSI	Bluetooth	Bluetooth 4.0	
LED Light	RGB	Battery	6000mAh, 130 Minutes	
CPU	Quad-Core 1.2GHZ	Speaker	Hi-Fi Stereo Speaker	
RAM	1GB DDR3	Keystone Correction	±40°	
Native Resolution	480P(Support 1080P)	Remote Control	Infrared Remote Control	
Projection Size	12"-200"/1m-37.8 inch	Power	4Ω3W	
Projection Distance	0.5-3m	Wireless On-screen	2.4G、5GWifi	
Focal Length	Manual Adjustment	Size	77x50x164mm	
Interface Information				
TF Card	Support Micro SD (TF Card) Maximum Expansion Capacity 32GB	USB	USB 2.0	
3.5mm Earphone	Can Be Connected To Headphones, Speakers, Etc.;	DC In	DC 5V Charging Port	
HDMI	HDMI Input Function
